

CAST Architecture Checker - Uninstall process

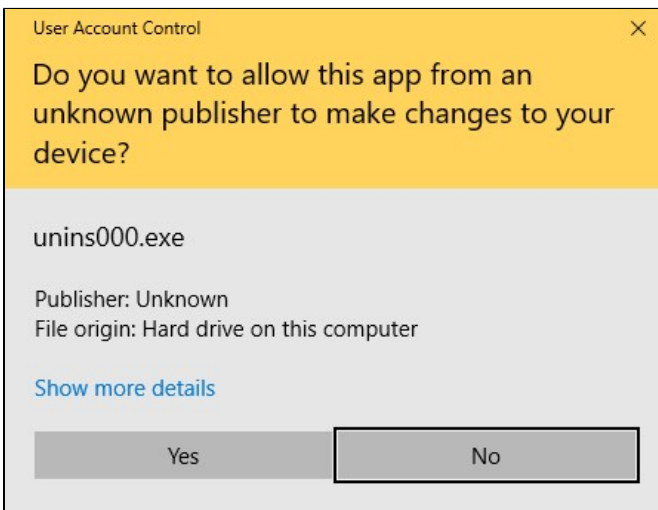

- [Step by step](#)
- [What is uninstalled?](#)

Step by step

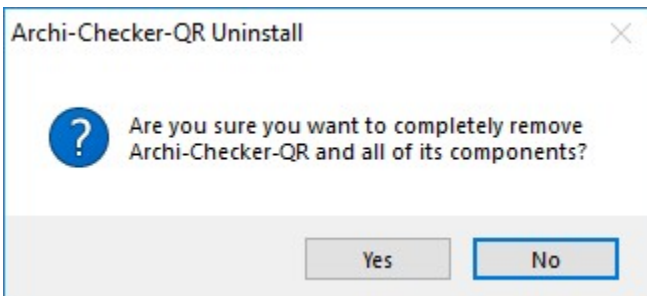

To uninstall CAST Imaging System, run the uninstaller located here:

```
%PROGRAMFILES%\CAST\Archi-Checker-QR\unins000.exe
```

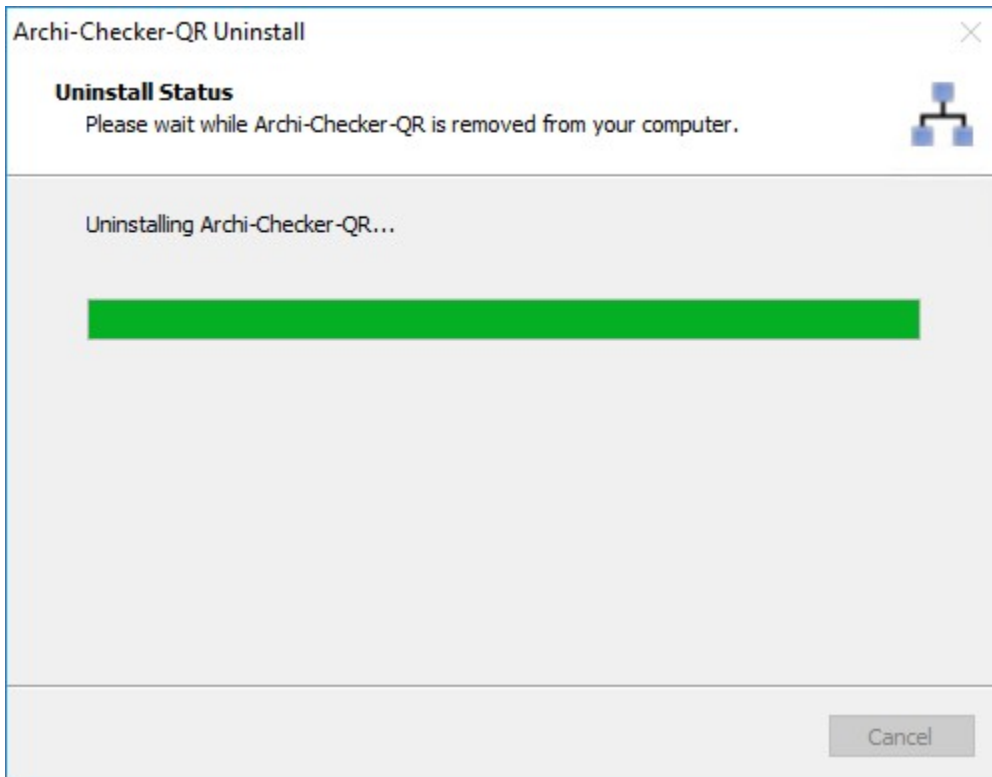

Accept the Windows User Account Control prompt:

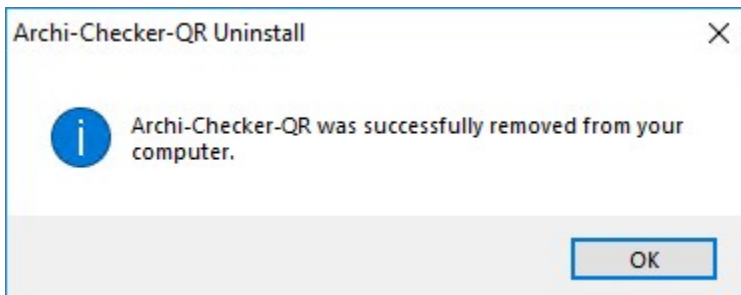

Accept the warning prompt:

The uninstall process will then start:

A message is shown when the uninstall is complete:

What is uninstalled?

The uninstall process will **remove** the following items from the workstation:

- All files (and parent folder) in %PROGRAMFILES%\CAST\Archi-Checker-QR will be removed
