

Mainframe - Available extensions

 **Shipped with CAST AIP Core** - this denotes the fact that the extension is shipped with AIP Core and is installed by default with new CAST AIP schemas and during a CAST AIP upgrade. Extensions not shipped with CAST AIP Core will need to be downloaded and installed manually.

Analyzer

Extension	Extension ID	Shipped with CAST AIP Core?
Mainframe Analyzer	com.castsoftware.mainframe	

Discovery / Extraction support

Extension	Extension ID	Shipped with CAST AIP Core?
Mainframe Discoverer *	See note below.	

 "Discoverers/extractors" marked with a "*" are not currently provided as extensions: instead they are embedded in CAST AIP Core and are therefore present "out of the box".

Miscellaneous
