

Eclipse no nature Project Discoverer

The Eclipse no nature Project Discoverer is not currently provided as an extension: instead it is embedded in CAST AIP Core and is therefore present "out of the box".

Supported project type	CAST Delivery Manager Tool interface
Eclipse no nature project	<p>Configures a project for each Eclipse Java project (.project without a Java nature) identified:</p> <p><i>Click to enlarge</i></p> <div data-bbox="397 428 859 926" style="border: 1px solid black; padding: 5px;"><p>▼ <u>Which project should we take into account for the analysis?</u></p><p>In this configuration section, you can filter the list of projects that should be analyzed. By default all projects found are included.</p><p>▼ Type of projects to discover in the package</p><p>Specify the project types that the CAST Delivery Manager Tool should discover in the package. This is particularly useful for situations where your Source Code target contains multiple project types.</p><p>◆ Project types discovered</p><ul style="list-style-type: none"><input checked="" type="checkbox"/> Maven Java project<input checked="" type="checkbox"/> Eclipse Java project<input checked="" type="checkbox"/> Web JSP<input checked="" type="checkbox"/> Mainframe project<input checked="" type="checkbox"/> Eclipse no nature project<input checked="" type="checkbox"/> SAP project<input checked="" type="checkbox"/> Power Builder project<input checked="" type="checkbox"/> XML scanner<input checked="" type="checkbox"/> Source file scanner<input checked="" type="checkbox"/> HTML5 project<input checked="" type="checkbox"/> Visual Basic .NET project<input checked="" type="checkbox"/> Visual C# project<input checked="" type="checkbox"/> ASP.NET Web Site<input checked="" type="checkbox"/> Visual Basic 6 project<input checked="" type="checkbox"/> ASP<input checked="" type="checkbox"/> Visual C++ 2002-2008 project<input checked="" type="checkbox"/> Visual C++ 2010-2012 project</div>
