

# Exporting to PDF and Word

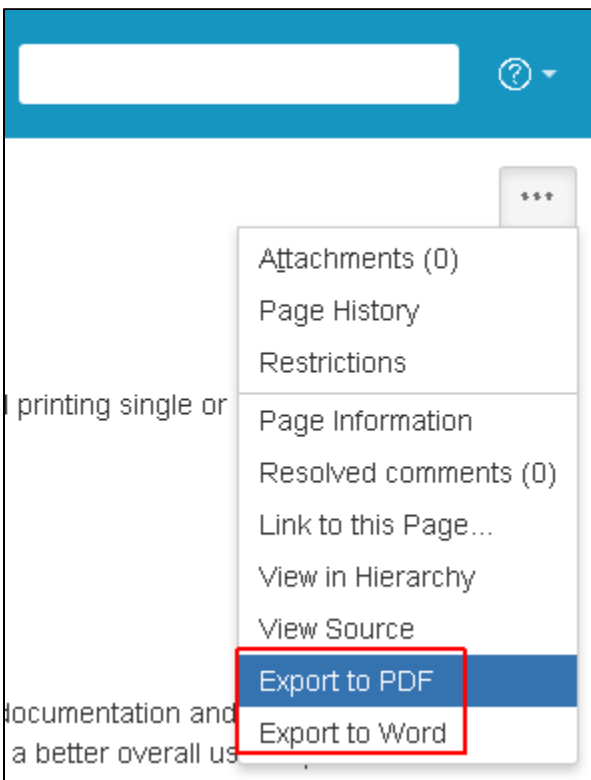

**i** Summary: you can export any page of documentation to **PDF** or **Microsoft Word**.

To export one single page to PDF or Word:

- Browse to the page you want to export
- Click the three dots in the upper right hand corner:

- Choose either **Export to PDF** or **Export to Word**:

- The current page will then be exported to the relevant format and downloaded to your browser's default download location.
